Case No. 2:13-CR-8-JRG-RSP

MEMORANDUM ORDER

The Court referred a petition, alleging violation of supervised release conditions, to United States Magistrate Judge Roy Payne at Marshall, Texas for consideration pursuant to applicable laws and orders of this Court. The Court has received and considered the Report of the United States Magistrate Judge filed pursuant to such order, along with the record, pleadings, and all available evidence.

At the close of the September 24, 2014, revocation hearing, Defendant, defense counsel and counsel for the government signed a standard form waiving their right to object to the proposed findings and recommendations contained in the United States Magistrate Judge's report, consenting to revocation of supervised release and consenting to the imposition of the sentence recommended in the report. Defendant also waived his right to be present and speak before the District Judge imposes the recommended sentence. Therefore, the Court may act on the report and recommendation immediately.

Accordingly, the findings of fact and conclusions of law of the Magistrate Judge are correct and the report of the Magistrate Judge is **ADOPTED**. It is therefore

ORDERED that the Defendant's plea of true to allegations as set forth in the government's petition be **ACCEPTED**. Based upon the Defendant's plea of true to the allegations, the Court finds that the Defendant violated the conditions of his supervised release.

It is further

ORDERED that the Defendant's supervised release be **REVOKED**. Judgment and commitment will be entered separately, in accordance with the Magistrate Judge's recommendations. It is further

ORDERED that the Defendant be committed to the custody of the Bureau of Prisons to be imprisoned for a term of 14 months beginning September 19, 2014 and 22 months supervised release to follow such term of imprisonment with the same conditions previously imposed. The first six months of supervised release will be served in a community living facility. The defendant shall participate in a program of testing and treatment for drug abuse, under the guidance and direction of the U.S. Probation Office, until such time as the defendant is released from the program. Under the guidance of the U.S. Probation Office, the defendant shall participate in any combination of psychiatric, psychological, or mental health treatment as deemed appropriate by the treatment provider. The Court recommends service of sentence at FCI Texarkana.

So ORDERED and SIGNED this 21st day of October, 2014.

RODNEY GILSTRAP
UNITED STATES DISTRICT JUDGE
